MIDWAY SPORTS ASYLUM

Things have gotten way out of control. And, that's just the way Midway likes it! In the cluttered world of sports simulation games, Midway has set gamers free with a line up of unrepressed, over-the-top and almost primal arcade-style sports games. They will now all be housed under the all-new Midway brand — Midway Sports Asylum.

The all-new Midway Sports Asylum brand serves the sports enthusiast and other game players who want a really fun, fast and great-looking gaming experience, without a lot of complication. The Midway Sports Asylum brand targets gamers who thrive on competition, and more importantly, winning! Midway Sports Asylum games let the gamer take pleasure in humiliating their opponent.

Midway titles like NFL® Blitz™ and Ready 2 Rumble Boxing™ have defied convention both in the arcade and the home, and helped to form the solid basis for the all-new action-oriented, in-your-face Midway Sports Asylum branding.

No Refs. No Rules. No Mercy.
