LEGENDS OF VALHALLA

Thor's Hammer
When fully charged, press the third flipper button to win any Legend Battle! Instantly stop the ball on the magnet to drop it into the top lanes.

God of Thunder Lanes
Complete these lanes to increase your bonus multiplier.

Hammer Spinner
Charge up Thor's Hammer with the spinner for the ultimate weapon!

Weapons Ramp
Shoot this ramp to light a weapon on the playfield. Collect weapons to access more Legend Battles.

War On Land Targets
Complete these to start one of three additional modes.

Upper Flipper
Use this flipper to battle the Kraken, board your Viking ship, and shoot the lock targets.

Blood Rage Target
Activates the Shield of the Gods.

Legend Battles
Venture into the underworld to choose from 16 Legends to battle. Experience the Ragnarok Wizard Mode after challenging all 16 Legend Battles.

Viking Ship
Board your ship after completing the lock targets to prepare for War At Sea and Viking Multiballs.

Battle the Kraken
Loop around the Viking ship to taunt the Kraken. Beware of its magnet.

Rampage
Shoot the center ramp to spell Rampage and start a hurry up mode. Keep shooting more shots before time expires.

Berzerker Drop Target
Spell Berzerker to light Mystery awards.

Ship Lock Targets
Get your Viking ship ready for battle by completing these three targets.

Valhalla Wizard Mode
Prove yourself worthy of Valhalla by completing these Viking Tasks as you play the game.

Outlane Ball Save
Be careful, warrior. Although the Shield of the Gods lights both outlanes to save your ball, using one of them always consumes them both.

Third Flipper Button
Activate your special weapons when they are ready.
