SERVICE BULLETIN

ATTENTION TO ALL USERS OF NINTENDO'S COIN-OP SERVICE INFORMATION HOT LINE

Effective November 1, 1990 the Nintendo Technical Services Department will implement an exclusive telephone line to provide Technical assistance for Nintendo Coin-Op product. By dialing the new toll free number, your call will be answered directly by a Technical Service Representative. This will improve overall call processing time and decrease the incident of busy signals received. To take advantage of this new, improved service please dial the following number:

1-800-628-4126
