Air Raid puts you in the middle of a realistic air and sea battle and it's only on TsuMo™, Tsunami's fully interactive motion-based multi-game system. Your adrenaline will be pumping when you feel the awesome firepower of your 40mm Anti-Aircraft gun while countless waves of planes, boats, and submarines try to send you to a watery grave. Your ultimate mission is just to survive...

- Over 25 levels of non-stop arcade action!
- Locate enemies and incoming torpedoes with highly sensitive radar.
- Fire guns and missiles to shoot down enemy planes or sink attack boats.
- Network linkable up to 8 machines.
- Zoom in on targets for better accuracy!
- Use depth charges to destroy torpedoes before they hit.
- Incredible graphics and sound effects make you feel like you're in the game!
