

The way we see it, you've got two choices.

You can enter the next extreme sports competition in your neighborhood and bring along your own orthopedic surgeon ... 'cuz you know you're gonna need him ...

OR ...

Play Air Trix. We figure the money you saved on the orthopedic surgeon, you can play enough times to become the half-pipe king of the arcade ... and you won't have to endure a single broken bone.

Air Trix - 'cuz broken bones suck.
