

BEACH HEAD 2000

Special Edition

As a lone gunner, you are the last line of defense against an overwhelming onslaught of enemy fire. Enemy transports are hitting the beachfront and your freedom is their primary target! Challenging levels of pulse pounding action brought to life with six degrees of motion. Beach Head 2000 Special Edition will keep you on the edge of your seat until the bitter battle's end!

• Beach Head 2000 Special Edition is now player selectable with a choice of three distinctly different enemies.

• Enhanced targeting control

• Turn bloodshed on or off

- Play your way through 25 levels of increasing difficulty and enemy strategies to send the intruders packing!
- Defend your homeland from armored personnel carriers, roaring tanks, transport helicopters, infantry battalions, heavy bombers, and lightning-fast attack jets!
- Feel the rattling of your machine gun, and be jolted as you volley cannon rounds. Strive to keep an edge on the enemy as you experience the torque of being hit by enemy rounds.
