BREED:

Pick a Sire and a Dam, looking for the best qualities in both to make a winning foal to train into a champion!

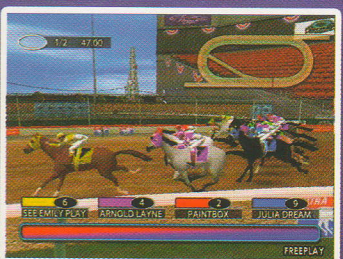

FEED:

Feed your horse the best foods to build up his strength and abilities. Earn more exotic treats as your horse wins races.

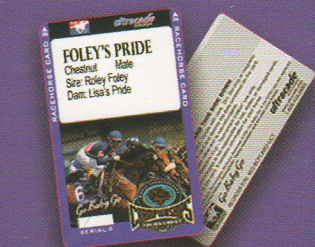

TRAIN:

Train your horse on a variety of terrains to improve his skills on different tracks.

RACE:

This is what it's all about - apply your training and go for the big money!!!

SAVE:

Take your horse with you anywhere - save your hard work on a secure encrypted card with all of your horse's history.

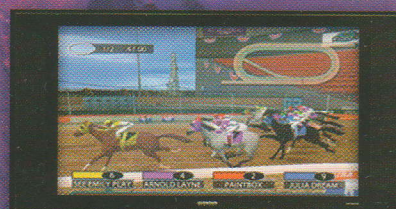

SPECIFICATIONS:

- ◆ Wells Gardener 19" LCD display
- ◆ Mars 2600 DBA
- ◆ Xico Credit Card Reader
- ◆ Magnetic Card Dispenser

DIMENSIONS:

29" W x 59" H x 35" D
Weight 275 lbs.

OVERHEAD BLACK BOX:

Play to the crowd - Link your systems together and allow spectators to watch races live on an optional overhead display

TOURNAMENTS:

Operator-run and Sponsored Tournaments that correspond to actual NTRA races allow players to participate directly in the horse racing circuit. All machines include built-in high speed access to the online network, allowing racers to compete with other players of similar skills world-wide.
