Chicago Coin knows what you want. For example, we mounted the cabinet on sturdy caster-type rollers. And we decorated the cabinet and playfield with bold, eye-pleasing designs. Best of all, Citation backglass lighting is really a standout, bright and colorful, to capture all the excitement of fast play action and high scoring.

Coin chutes are set for 15¢ play or two for 25¢ play, adjustable to 10¢ and 25¢. Or you can order a single 25¢ coin chute.
