

Classic Football

-  Remember when video football games were more than selecting a play and bashing buttons? This is Classic Video Football action like it's meant to be played.
-  Simple, easy to execute plays with fast and exciting physical trackball action. The large tackballs guide the intense game play.
-  Choose from all 32 NFL teams, from the East Coast to the West Coast and every team in between.

 Tons of offensive and defensive plays are available. The software provides a selection of 8 of the best plays for your current situation, insuring the best possible play at hand without needing to study dozens of plays. Your play selection is hidden from the opposition to add to the fun and excitement.

 Up to 4 players can play at once. Get your team together and see if you have what it takes.

 Don't pass on this classic game.
