

**'THE PLAYERS
LOVE IT!'**

Scott Walker, GM
Betson West

WHAT THEY'RE SAYING...

"We had 2 of the competition's games in a sports bar along side PGA TOUR Golf. If we took the collections of both of the competition's cabinets and combined them, then doubled that, it would still not add up to the revenue our PGA TOUR is generating in that same location week after week. We are now trading in the competition's games for PGA TOUR cabinets. Cash boxes never lie!"

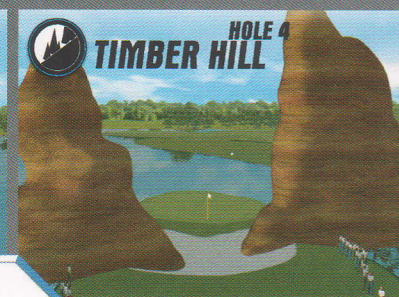

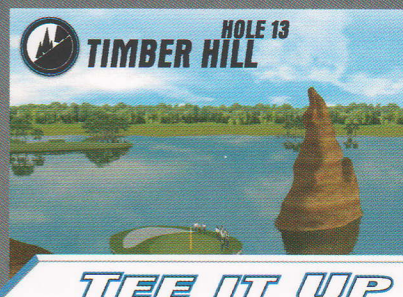

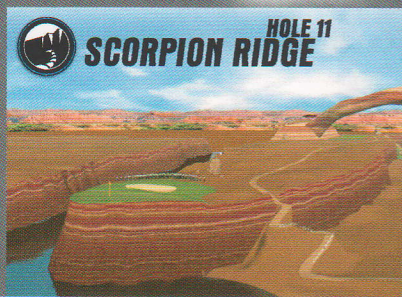

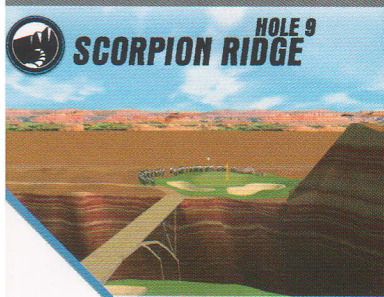

-Todd Moore, Operator, Orlando Florida

"Wanted to take a moment and share some feedback about your new PGA TOUR Golf game. In the Northern California marketplace we have seen incredible earnings! In most locations we have actually seen a rise in the overall gross of the location where a PGA game has been placed! The Players love it!"

-Scott Walker, GM, Betson West

"Last Friday night I had to have a uniformed policeman come to our location to ask four gentlemen to allow others to play the game as they had been playing the PGA Tour for over three hours straight and there were ten to fifteen people anxiously waiting to play. This game is a winner with the players!"

-East Coast Sports Bar Owner
