FAX™

Challenge the FAX game. One or two players can compete against each other or against the clock in this exciting new twist on the time-tested concept of the question-and-answer game. FAX brings the now popular pastime of trivia to ALL LOCATIONS. This fast action memory game will challenge "How much YOU know" and "How much YOU remember"!

This beautifully crafted hardwood classic enhances your locations and provides exciting entertainment for ALL of your customers. One of the best features of FAX is it is completely "solid state." What does this mean to the operator looking for a maximum R.O.I.? Quite simply, if your "Super Genius" players memorize enough answers to FAX after several months on location, EXIDY will have readily available new question and answer PCB at a nominal cost. Virtually every location — is a FAX location. See Your Distributor Today!
