

"Medallions" are mystic stones sent from heaven, brought evolution to human technology and lead tremendous progress to the armories. To gain their powers for the promised victory in which the "Stones" hold, many nations fought over the mystic stones and reheated the world of war. Within all the "Stones" is the "Medallion of Wisdom," known as the power source of all mystic stones, had enough energy to terminate humanity. The whole world was in despair. And now, four brave warriors risen to fly straight into the combat zone! All four had a different cause, but their ultimate goals were the same: to destroy the Medallion of Wisdom! Fight to save the humanity!

We've captured the true essence of the shooting genre...  
Shoot and Evade!

# For all the shooting game enthusiasts!

## Inigorating new system the "Reflect Force!!"

It's more than just shooting and evading...it's about "Reflecting!!" Reflect a storm of bullets covering the entire screen! Use the "Reflect Force" to turn your despair into a chance to survive!  
The player will realize that the critical moment is the best chance to turn the tide and will surely appreciate the new concept!!

## Use the enemy's bullets into your advantage!!

Enemy bullets approaching!

## Total excitement, "Giga Score Shooting!!"

To most people, the scores were just a dozens of numbers lying around at the edge of the screen. But this time it's not! Once you clear the stage the total of your scores will be tallied up and displayed. Highest scores reaches over a giga. Players are sure to come back again and again to break the records.  
Giga score shooting unfolded in total of 7stages!! Aim for the remarkable score of over 1,000,000,000,000,000!!

Hold the shot button and activate the Reflect Barrier!! Swim through the bullet curtain!!!

Reflected bullets will turn into "Score Multipliers" after giving damage to the enemies! "Score Multipliers" are the key point in reaching high scores!

## The characters and the story lines give life to the game!

Most shooting games can tend to be a common mechanical routine of pressing the fire button. But for Giga Wing the dramatic story and the unique characters put a life and emotion to the screen turning the game into a drama.  
Different story unfolds with different combination of characters. Their fate lies in the hands of the players!!

## Go for the giga score!!!

## PILOTS

### Sentinel of Thunder Sinnosuke

The Stone that has the power to control lightning "Shikon" was protected by his ancestors. Sinnosuke who lost his family in the conflict to obtain the stone, decides to use it's power to free himself from the fate of his deceased family and to claim his revenge.

### Madonna Firestorm Ruby

A woman ex-pirate of South America. To ease her burden of her bloody past, she organizes a home for orphans of the war. She flies into battle with her be-loved fighter-plane "Carmine," for the sake of the children's future.

### Combat Angel Isha

A girl who was raised to become an ace pilot, ran away from the air force for the hatred against the war. For repentance she became a Sister to help the wounds of war refugees. However, she realizes that she must smash the "Stone" to end the war and rises once again to fight on behalf of the people.

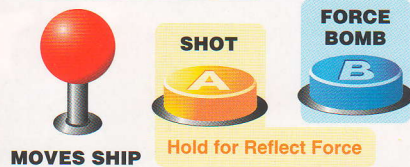

### Mechanical Eye in Grief Stuck

Mechanical one eyed pilot, who once was a doctor. With the miss usage of the Stone to cure, turned his terminally ill wife to a living metal statue. To save her and put an end to the cursed Stone, he decides to fight.
