

Ever see one of those TV commercials
that shows a sports car tearing up a
winding, mountain road with
small print that says

"WARNING: PROFESSIONAL DRIVER ON A CLOSED COURSE"

and thought "I could've taken
that turn a lot faster."

**Sega thinks it's time
you did just that**

INITIAL D

The #1 Teen property in Japan has just arrived in the U.S.

INITIAL D is the story of a 17-year-old delivery boy destined for greatness. He'll soon discover the skills he's acquired while driving the treacherous mountain roads that have made him a master of street racing.

FEATURES INCLUDE:

- 4 challenging tracks that you can race 16 different ways.
- Choose from over 20 different race cars, each with its own unique capabilities.
- Race three ways –
 - **Legend of the Speed** – race against the computer to become the fastest driver to have ever driven the course.
 - **Time Attack** – hone your skills without any other drivers on the course.
 - **Linked Battle** – Two players can race against each other to see who's the real King of the Mountain.
- Sega's exclusive MCRD* lets you
 - Select the manufacturer, model, and color of your car.
 - Pick your car's tune-ups from high-performance tires to ground-hugging aerodynamic packages.
 - Save your race results.
 - Begin the action from where you left off the last time you raced.
