It's Back To Make A Killing

KI2 has turned up the intensity, evolving into the most dangerous fighting game ever. Packed with deadly **new characters**, advanced color graphics and **millions of new combos**, KI2 will propel cashbox earnings to new heights.

Killer Game Depth

Enhanced game intelligence multiplies time required to learn combo moves and creates challenging one-player game play. Now KI2 characters can interact with backgrounds and objects, creating unrivaled levels of game play.

Killer New Features

KI2 takes fighting to brutal new levels. Characters are armed with a variety of powerful new finishing moves and projectiles. And a new **Power Up Bar** rewards aggressive players with vicious special moves.

Get KI2 and you'll see that it has the greatest depth of any fighting game ever produced!
