T.O.P. SYSTEM

Based on timings you set before a match, the T.O.P. system adds power to characters' abilities. When the T.O.P. is activated, characters become stronger and gradually recover Life Energy. And if this isn't enough, you can also use T.O.P. attacks!

What Wins Matches? Timing!

JUST DEFENDED

Draw an opponent's attack and block it at the last minute. Your character begins to flash blue and recovers Life Energy. That's "Just Defended."

Add More to Your Technique!

BREAKING

Cancelling a Move of Mayhem while it's activated is called "Breaking." Each character has 1 Move of Mayhem that makes Breaking possible.

SNK®

Yes, they do exist...
Those who sacrifice all
for their **ambitions**...

Those who endanger all
for the taste of
revenge...

Whose actions are just?
Justice is not the issue.

The victorious survive,
the vanquished fall.

This is the only justice.

Ten years later...

Pump up the Power Gauge in the lower half of the screen to use Super Moves of Mayhem and the even more powerful Hidden Abilities. This unprecedented power can turn matches around with a single blow.
