

Bally MIDWAY™

MIDNIGHT

MARRAUDERS™

*Enter Into the Futuristic Combat With
Bally Midway's New Mechanical Gun Game.*

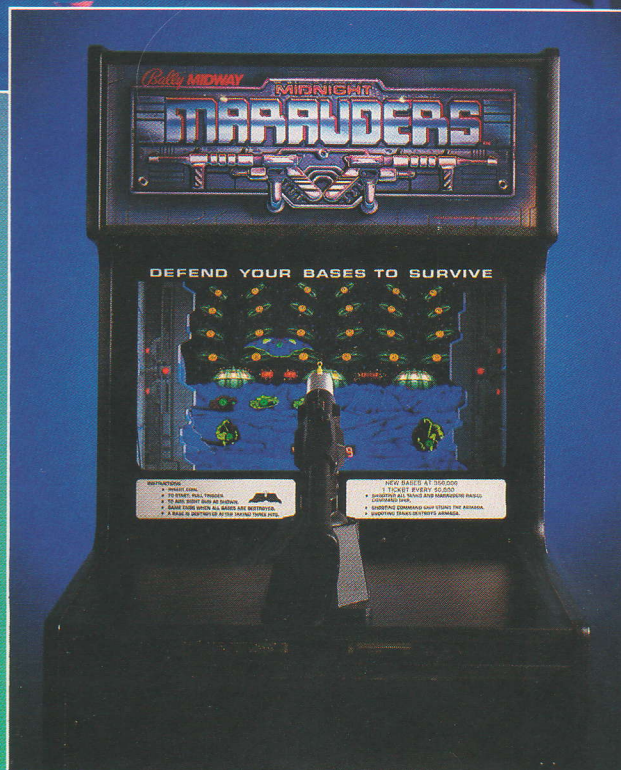

Bally Midway's Midnight Marauders™ is right on Target.

Set your sights on the mother ship and her 24 invading ships. Their mission is to attack and destroy your bases. You must destroy them first!

You can eliminate the aliens by shooting them when they are lit or by shooting their attacking tanks. When the pace becomes too fierce a direct hit on the mother ship will freeze the action temporarily. While the invaders are frozen, you have rapid fire at your disposal and the chance to annihilate all the aliens. In order to survive you must defend your bases! You will receive new bases as you destroy the invaders and accumulate points. Keep the aliens in your sights and take your best shot.
