The NBA Like You've Never Seen it Before!

It's 3-D, it's the NBA, and it's out of control! Hello everyone, and welcome to NBA Showtime. Today's contest features the league's hottest superstars squaring off in a prime-time **3-D match-up**. The action is heating up, so get ready, it's the NBA on NBC.

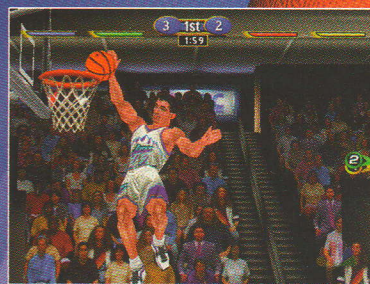

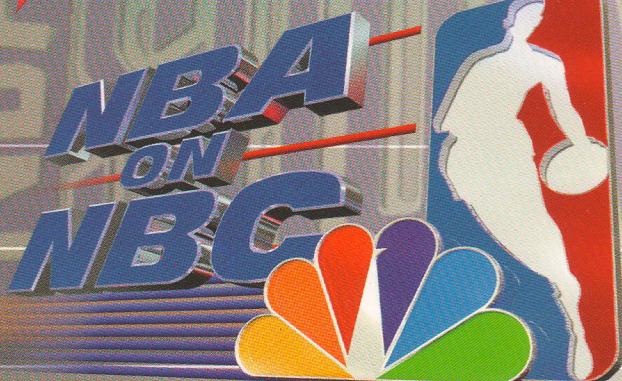

This game promises to be a great one, as your favorite NBA Players take to the court in a showdown fit for the record books. The much-anticipated and much-talked about **Durango Hardware System** has arrived, delivering four times the memory and three times the performance of NFL Blitz 99. And NBC brings you the top players from each team in a heart-pounding, pulse-racing, above-the-rim match-up. You'll see it on their faces and hear it in their voices, you'll feel the intensity of every pass and every shot, this is what the NBA is all about.

New for this season? 3-D! When you see these superstars, it'll blow you away! Also, the league has added **Create-A-Player Mode** which gives contestants access to a wider range of NBA personalities. You can choose from other NBA players, models, and mascots, with the ability to adjust and improve their individual skills and abilities. The coaches have been working hard on this during the off-season, and it's going to pay off big time!

This year we'll be in every arena around the league bringing you all the drama and fanfare you've come to expect from the NBA – the players, the mascots, the cheerleaders and fans, **it's the NBA at its best, right here on NBC.**
