A Colossal Collision of 64 Countries Vying for the World Crown!

Choose a team from 64 fiercely matched countries and advance through grueling battles to reach the summit of soccer world supremacy!

It's the Players, Stupid! Strengthen Your Team Before Matches!

After selecting a team, choose one of eight strengthening options. The mettle of your team's players is what sets you apart from the pack!

Push the A Button when the "Chance" Message Appears During Offensive Play!

The action shifts to a 3D screen and a long shot for the goal is automatically kicked in the direction players select! Players on defense must move their joystick in the direction of the shot and push the A Button to snag potential scoring kicks.

Ejection to Injuries...Accidents Change Game Play!

A variety of unforeseen accidents occur during rough plays. Team morale and the impact of rough plays will determine whether your players walk adversity off or take an early trip to the showers!
