

Point Blank will **BLOW** you away with it's advanced Algorithm Sensing PCB. This exceptional system enhances the precision of each shot fired making this the most accurate gun game in the business. Point Blank's gun is **SIX** times more accurate than the competition. Our new 45 caliber type gun with realistic blow back action provides players with tactile feedback.

POINT BLANK

NAMCO™

Realistic guns.
Realistic sound effects!
Most accurate gun in the business.
Non-violent!

TARGET YOUR CASH BOX!

NAMCO is leading the way with a game that meets the needs of our customers. Point Blank is a high action, non-violent gun game. It offers the fun and excitement of realistic gun simulation without the graphic violence of so many of its predecessors. Players choose from over 50 different competitive events, keeping players interested for a long time.

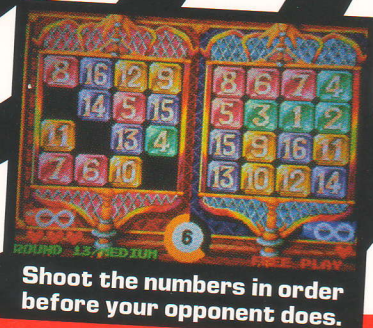

Point Blank is entertaining for players of all ages. This one or two player competitive gun game is sure to be a **HIT** at any arcade or street location.

Choose your mark!

Blast the car to bits!

Shoot the numbers in order before your opponent does.
