NEW REGULAR OR NOVELTY MODEL

**...A "HORSE SHOE" GAME
WITH WORLD-WIDE APPEAL**

Strictly a game of skill for 1 or 2 players.

- Actuated by the spin of a wheel "Ringer"—combines all the allure of pitching horse shoes with the climate results of Ringers, Leaners and near Misses.
- Authentic Horse Shoe Scoring is incorporated in this entirely different concept of a Coin-Operated Amusement Game.
- The compact size (64" H, 30" W, 15" D) makes most locations available for this unusual money-maker.

2/25c Play recommended for top profits.
