

ROBOT BOWL

AT LAST! TRUE-TO-LIFE
"REGULATION" BOWLING
ON A VIDEO SCREEN.

REALISTIC SCORING (strikes, spares, misses, gutterballs). Hundreds of pin combinations through real life bowling research.

AUTHENTIC SOUND EFFECTS of a rolling ball and pin fall.

INDIVIDUAL FRAME "SCORESHEETS" are displayed on the screen for one or two players showing individual frame results and cumulative score totals.

COMPLETE PLAY INSTRUCTIONS flash on screen after coin is inserted. Optional pricing of 25¢ or 50¢ per player (or both players for 25¢ if desired).

CONTROLLED TIME FEATURE — Player has 3, 5, or 7 seconds to shoot or ball is automatically released (no time limit feature if desired).

ANIMATED "ROBOT" BOWLER is controlled by three sets of buttons:

1. Position bowler right or left.
2. Roll ball fast or slow.
3. Hook ball left or right
