EXTRA-CHARACTER

Only those capable of making it through the first 3 stages can obtain the assistance of these superhuman warriors.

Kongoh

The Ninja of Steel

Kongoh's herculean strength enables him to easily wield an iron staff which no mere mortal man could dream of lifting. The "Kongoh Driver" body toss makes the most of his titanic power to deliver a truly deadly move no one would want to be on the receiving end of.

Kurenai

The Ninja Maid of Hurricane Force

This female Ninja is an expert of double-fisted swordplay, employing methods she personally devised. From her awesome speed comes one of her Ninja moves, "The Mirage Masher," which can tear any enemy within her reach to ribbons.

Kagetsura

The Blue Thunderbolt

Since infancy, Kagetsura has been trained to be the Ninja leader. Master of the Ninja Arts of Shock, he commands the dynamic and powerful "Lightning Tackle," which wraps him in white-hot sparks to sear through the enemy.

Falcon

The Ninja Soul of the Red Hair and Eyes of Blue.

Once a Spanish conquistador, Falcon's ship sank at sea and he washed up on the shores of Japan. Here he became a Ninja capable of willing flame from his body. Commanding the Ninja Arts of Fire, he engulfs those who oppose him in such singing attacks as the "Godbird Blaze."
