NOW, here comes **SPEED KING**
from the best driving game
manufacturer in the world!

GEAR SHIFT

Realistic driving with gear shift action . . . Player shifts into low gear to start game then shifts into high gear to dodge in and out of traffic . . . Player must shift back into low to clear accidents, then into high for best possible score.

Spectacular BANKED TRACK

Road actually tilts and turns . . . Player races on banked track or flat curves . . . Full color 3-D background with grandstands and exciting driving movement.

Super ACTION PLAY

Instant excitement as player takes the wheel and controls all the spectacular racing situations . . . accidents, passing . . . lane hugging! Authentic speed of 0-175 m.p.h. . . . Time and scoring on dashboard . . . Right in front of driver . . . Scoring in full view of player without raising his head . . . Scoring in miles and kilometers.

Realism in feel, sight and sound. Authentic steering wheel vibration when accident occurs!

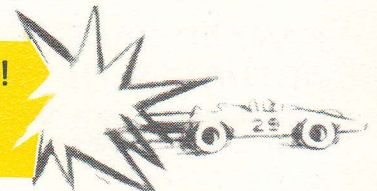

Trouble-free, all electronic sound system. No tapes.

Fast Play . . . Playing Time Adjustable.
