Namco's Dirt Dash will appeal to a wide audience of both on and off road race enthusiasts.

Players select their starting point, from the dark depths of a dense jungle to the icy slopes of the mountains. Each course contains various obstacles, fallen trees in the jungle and snowmen in the mountains.

Each vehicle reacts differently to the way it corners, climbs and the damage it endures. Doors snap, hoods pop, and parts fly off!

Breathtaking graphics, Five courses, Three awesome vehicles, Reactive feedback steering, Checkpoints, Hidden short-cuts, High banked corners, Viewpoint change. A radical driving experience! There's a whole lot of fun under the dash of Dirt Dash!
