## Titan Has The Bases Loaded With Super Major League!

America's favorite pastime comes to life on the Titan Arcade System! Fully licensed by Major League Baseball and the Major League Baseball Players Association, SUPER MAJOR LEAGUE features all the pro team and superstar players competing in serious baseball action!

Gameplay is accurate and smooth - 3D CG polygon-based graphics and flexible view changes make Super Major League the ultimate field of dreams! Choose your player by his abilities such as power, speed and slugging percentage - every player is unique!

Super Major League's semi-automatic fielding allows for easier gameplay, providing an instantly fun experience for beginners and experts alike. Also, the new Intrusion Play System feature lets a second player join in anytime during the game.

Sports fans will love the incredible realism of Super Major League!

## Funk It Up!

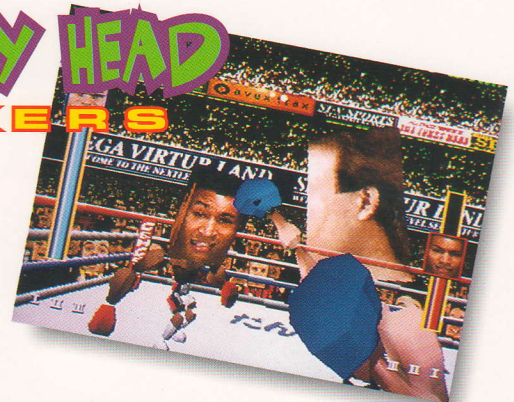

The Titan Cabinet gets groovy with FUNKY HEAD BOXING! Comical characters tear up the ring, fighting in a hilarious battle of boxing skill!

Use your head - FUNKY HEAD BOXING recreates the sights and sounds of real boxing and adds a comical twist. Here's the twist - Short players with huge cubical heads duke it out using professional boxing techniques and tricky action play. You can win by knockdown or by racking up points after the time limit (one match per challenger). Your attack arsenal includes short/long punches, counter punches and energy recovery. Use the straight punches, hook and uppercut. Dodge the enemy then control with a crashing blow to that gigantic head.

Choose from 6 very unique boxers - each is shown in full detail with the Titan's ST-V architecture. This state-of-the-art technology allows boxers' faces to bend and twist with each landed punch.

This hilarious fast-paced game will keep gamers coming back for more!
