MULTI-GAME SYSTEM

ULTRACADE Universal Conversion Kit
Announcing the ULTRACADE Universal Conversion Kit from UltraCade. With this kit you can transform your existing CGA (low res), EGA (medium res) and VGA (high res) cabinets into the ultimate multi-game arcade machine. Renew your existing "dead wood" cabinets into money machines! That's what the ULTRACADE Universal Conversion Kit Does! Breathe new life into your old, tired cabinets and load it up with dozens of games!

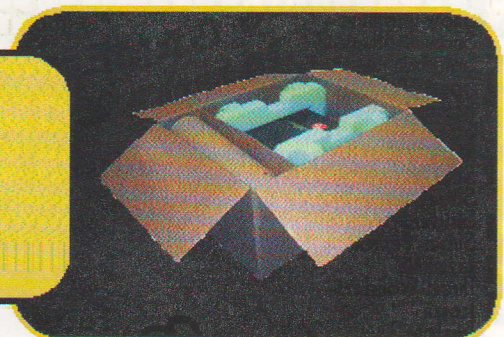

With 8 games preloaded and dozens more title to choose from (available as additional gamepacks), the ULTRACADE Universal Conversion Kit ensures a rapoid return on your investment! And with the flexibility and scalability of the ULTRACADE system, there's no limit to the amount of game you can load on a single machine! Imagine the possibility of hundreds of games on a single upright unit.

The ULTRACADE Universal Conversion Kit comes complete with everything you need to refurbish your existing JAMMA compatible cabinet. It even comes with one software gamepack pre-installed so you can start earning right out of the box!

ULTRACADE Universal Conversion Kit Contents

- 1 Cabinet decals for marquee, side panels and control panel
- 2 Ruggedized multi-game computer system with JAMMA connectivity for plug 'n' play integration into existing arcade cabinets
- 3 Mounting Brackets for a variety of mounting positions
- 4 New JAMMA harness and cables for CGA and EGA monitors
- 5 New buttons and joysticks
- 6 Installation and Instruction manuals

Complete Universal Kit
