Non-Stop, 3D Rapid-Fire Action!

VIRTUA COP 2 is head-spinning, palm-sweating action that'll knock your socks off! This hardcore, 3D shooting adventure explodes with rapid-fire action, new characters and high-speed car chases.

Fast Action Got Faster

If you liked Sega's smash hit VIRTUA COP, you'll go absolutely ballistic for Virtua Cop 2! It's twice as fast! Graphics run at 60 frames per second (compared to its predecessor's 30 frames per second). It utilizes the same arcade engine as Virtua Fighter 2 and Daytona USA, so movements are smooth, flowing and incredibly realistic.

Bad Guys Got Badder

Virtua Cop 2 features the meanest, nastiest villains ever put on a video screen. They come at you from all angles, there's no time for diplomacy. If they move, shoot. And keep on shooting until they stop moving.

Smooth Play Got Smoother

Virtua Cop 2 has features that make it the smoothest shooting game in the world...

- FREE GUN SYSTEM – Grip the gun and aim it at the enemies on the monitor with no restrictions
- LOCK-ON-SIGHT – The most dangerous enemy is indicated automatically with this auto zoom feature.
- MULTIPLE PLAYERS – A second player can join the game at any time.
- EASY GUN ACTION – Simply re-load by shooting outside the screen
- SENSATIONAL SOUND EFFECTS – Improved sound effects and thrashing music create the brawling buzz!

Battle the "EVL" Crime Empire through three gut-wrenching missions...

Mission #1 - THE BIG CHASE

The "EVL" crime wizards have attempted the biggest jewelry heist in the city's history. You must break it up then chase them down on a high speed hunt, gunning down everything in your path from motorcycles to helicopters.

Mission #2 - SAVE THE MAYOR

The mayor has been kidnapped aboard a luxury cruise liner. Fight through the ship, blowing away "EVL" scum until your final confrontation with the boss abductor. This is definitely NOT the Love Boat.

Mission #3 - RAILINE SHOOTOUT

Crush the terrorists where they live! Infiltrate their hideout in the far reaches of an underground railine, then bust your way through to the final fight with the "EVL" crime boss!

With massive improvements to the already enormously successful Virtua Cop, Virtua Cop 2 is sure to be one of the biggest money-makers this year!
