

MAXIMUM TUNE

湾岸ミッドナイト MIDNIGHT

-  **Players blast into the world of the popular comic series "Wangan Midnight".**
-  **Utilizing our new innovative motion program, players experience 4-wheel drifting like never before!**
-  **Players race through Japanese cityscapes from morning to night. Realistic graphics immerse the player in the race at hand.**

New Card System!

The car performance, player's rank and achievements are continually upgraded after play based on the player's racing results. Our re-writable card displays the current results.

How to play with the card

- 1) Buy the "tuning card" prior to your first race.
 - 2) Select the car and register your name.
 - 3) After the game is over, the card is dispensed.
- The player can continue the game next time by using the "tuning card".

Freshly designed driving cabinet!
Newly developed H-shaped 6-gear shifter delivers the perfect simulation!
Also, with a large steering wheel and sliding bucket seat, players can comfortably enjoy their driving experience.
