BEHOLD THE CREATION OF

War Gods

Billions of years ago, an alien soldier was transporting his civilization's life giving ore. The creation of the solar system caused his ship to crash, scattering the ore throughout the newly formed earth. Over time, ten humans came in contact with the ore; they were transformed into super-evolved warriors. These are the War Gods! They battle each other for ore to determine the fate of the earth.

THE ANSWER TO EVERY OPERATOR'S PRAYERS

Earth has never seen a 3-D fighting game like War Gods — The fastest and most furious fighting game ever.

EXTRAORDINARY INDUSTRY FIRSTS:

- First truly 3-Dimensional arcade fighting game
- Digital skin technology eliminates polygon look
- Reality map surfacing for photo-quality graphics
- Exclusive 3-D button allows movement around entire fighting arena

THE FIRST STEP INTO THE 3RD DIMENSION

The War Gods battle in 3-D, in real-time fluid movements, launching deadly projectiles in every direction while circling the entire arena. Special 3-D effects also encompass fatalities, multi-level combos, grappling throws and secret moves. The player has the power for inspired combinations of multiple super hits and special kicks that will decimate any character.

Increased memory and the DCS2 stereo sound system create the highest quality sound possible. Industry proven hidden codes also lurk within the depths of this incredible game. Expect the unexpected...
